

# Women in Admission Special Interest Group (SIG)

## August Planning Meetings

We invite you to join us as we consider the next year for the Women in Admission special interest group. Colleagues in the college admissions professions (from any side of the desk) who identify as women, are encouraged to attend these collaborative sessions.

**Each session will be hosted virtually Tuesdays in August at 12pm (ET) for the following:**

[August 3](#) – NACAC Seattle Meeting Planning (in person/virtual)

[August 10](#) – 2021-2022 Virtual Meeting Topics/Schedule

[August 17](#) – SIG Organizational Structure

[August 24](#) – Research Project(s) Planning

*Click on each date for the registration link.*

*Can't make it?* If you are interested in any of these topics/initiatives but are not able to make the meeting, please still register for the zoom. After each meeting we will follow up with the full group and offer action items to continue this work.

*Not sure if you can commit to help?* For those who do attend one or more meetings, please know that no further commitment is required or expected. Next steps and opportunities to coordinate these elements will be posted on a volunteer basis.

*NACAC membership is not required to join SIG meetings.*

**Please come be part of the conversation and help guide the future of the Women in Admission SIG.**
