

# WOMEN IN ADMISSION SPECIAL INTEREST GROUP (SIG) 2020-2021 MEETING SCHEDULE

NACAC's Women in Admission SIG's mission is to support anyone who identifies as a woman to achieve success in the admission profession. The purpose of the group is to assist women in navigating the complexities of our profession including topics such as, but not limited to, sexism, equal pay, and work-life balance. The group also supports the retention and advancement of women in the admission field.

We encourage you to register yourself and your female identifying colleagues for these upcoming events. Specifics for each meeting will be announced in advance of the event including guest speakers or panelists and workshop descriptions.
