“Thank you for providing me with the opportunity to attend the 2019 Guiding the Way to Inclusion (GWI) through the Imagine Grant. As the Director for the Office of Multicultural Outreach & Recruitment, our office is committed to identifying, attracting, and recruiting a diverse student body to the University of Washington. I was able to learn effective strategies when working with a diverse student population and how our team can continue to work together to help create a more welcoming and accessible system for students of color. Opportunities like attending GWI are critical to our team’s success.”

“The Imagine Grant gave me the opportunity to attend the 75th Annual Conference in Louisville, Kentucky. As an employee of a CBO, I feel privileged to have a seat at the table and am grateful to the opportunity to connect with those from across the country on issues of equity in college access and success. Additionally, at the conference, I was inspired to apply to be a reviewer for sessions next year and I’m so pleased to have been chosen. I am excited to help shape the future conference and bring back strategies to support our regional chapter’s conference.”
