About Educators for Fair Consideration (E4FC)
- Founded in 2006, Educators for Fair Consideration (E4FC) empowers undocumented young people to pursue their dreams of college, career, and citizenship in the United States. We address the holistic needs of undocumented young people through direct support, leadership and career development, community outreach and education, creative expression, and advocacy. Our programming is designed by and for undocumented young people with support from committed allies.

1. Engage with an Open Mind
   • When supporting undocumented students, it’s important to know that there won’t be a single answer or path for all students. Support requires ongoing investigation and collaboration with other service providers and community leaders. When you don’t know something, work WITH students to find out answers so that you can share them with other students and colleagues.

2. Create a Safe Space
   • Don’t ask undocumented students to self-identify
   • Make resources easily available for all students
   • Understand that trust takes time
   • Be mindful of your language; say “undocumented” rather than “illegal” and avoid terms like “alien” or “legal immigration”
   • Do all you can to identify YOURSELF as an ally/supporter; use posters, bookmarks, and stickers to make your support visible: www.e4fc.org/onlinestore.html
   • Get trained by a trusted community organization. In Northern California, you can request an outreach presentation from E4FC: www.e4fc.org/outreachprograms/requestapresentation.html

3. Learn about Relevant Institutional Policies & Legislation
   • Understand admissions and enrollment policies for undocumented students
   • Understand in-state tuition and state-based aid requirements for undocumented students (if applicable)
   • Understand Deferred Action for Childhood Arrivals (DACA), DACA+ and DAPA eligibility requirements and application procedures: www.e4fc.org/resources/deferredaction.html
   • Research local and statewide immigration-related policies that affect your students and their families
   • Keep informed about proposed legislation related to immigration policies

4. Find & Advocate for Scholarships and Financial Support
   • Keep track of scholarships that don’t require citizenship or residency. Help students apply to as many available scholarships as possible.
   • Advocate for scholarship providers to consider and support undocumented students
   • Share E4FC’s “List of Scholarships that Don’t Require Social Security Numbers”: www.e4fc.org/resources/scholarshiplists.html

5. Build Your Own Educator Network
   • Build relationships and collaborate with other educators at your school or district
   • Reach out to educators at local colleges who are supportive of undocumented students
