College Fairs**

Dear Colleague,

The National Association for College Admission Counseling is pleased to invite you to the **2024 NACAC National College Fair – New Orleans**, which will be held at the **Pontchartrain Convention and Civic Center**. This year the fair will be held on the following dates:

Wednesday, October 9, 2024 – 9:00 a.m. - 12:00 p.m.; 6:00 p.m. to 8 p.m.

Over **100 diverse colleges and universities** will be in attendance offering a wide variety of educational options.

Please take *close* note of the following items:

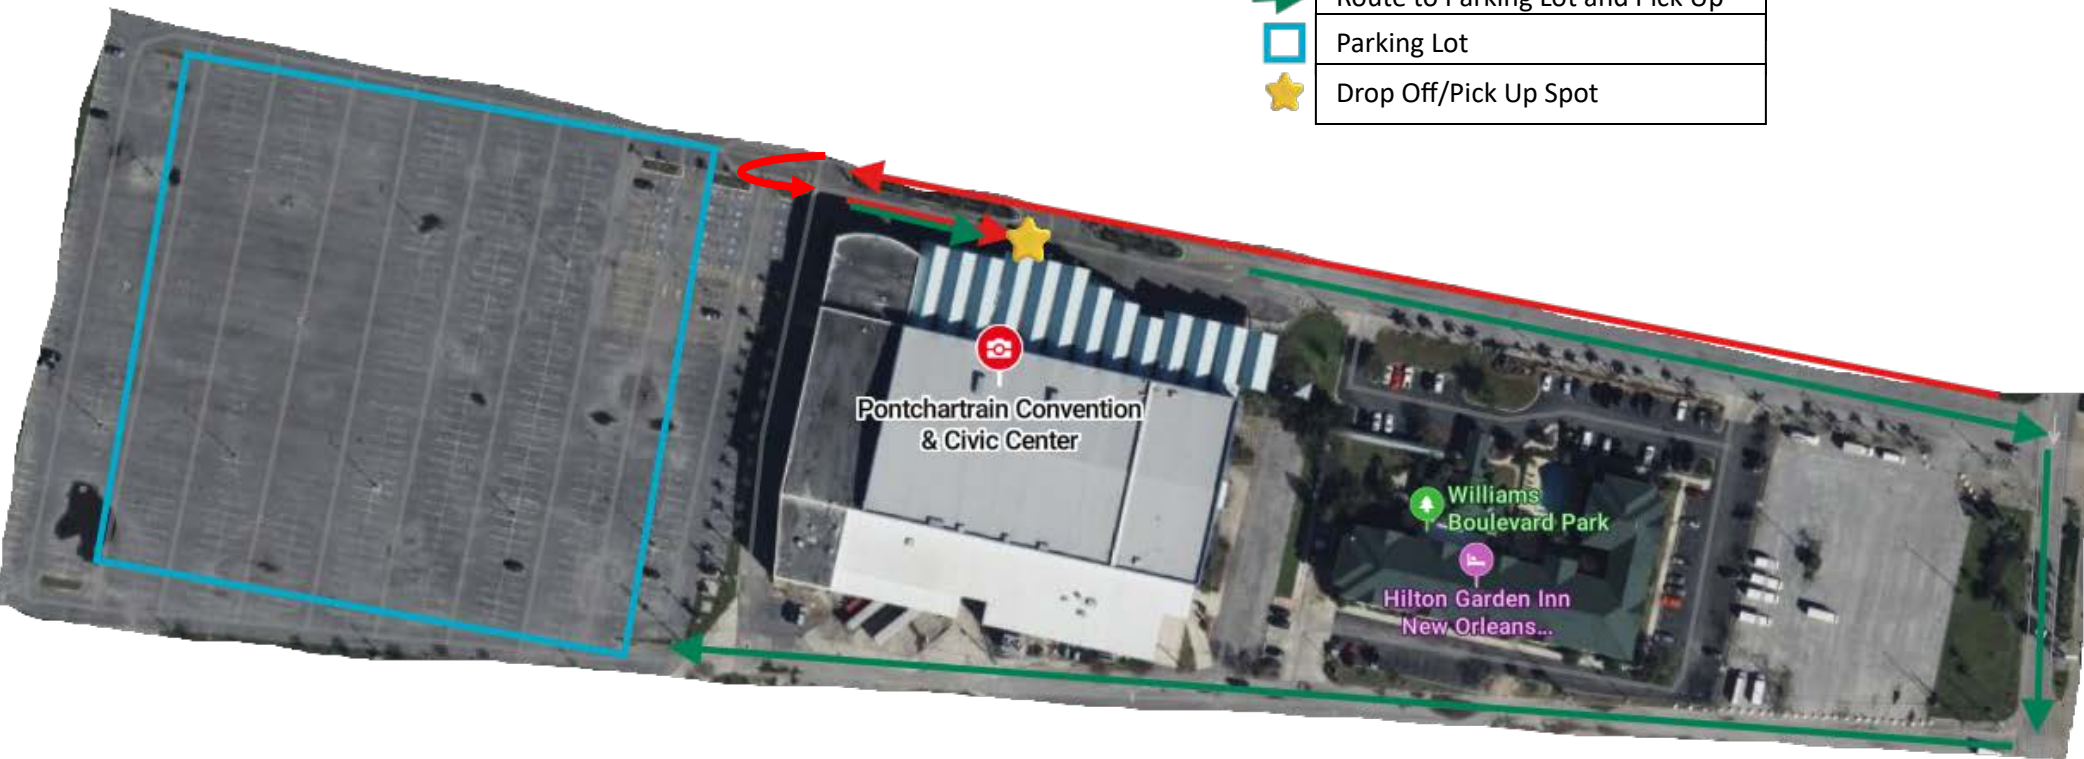

- **BUSING and SCHOOL GROUP REGISTRATION PROCESS:** To help with logistics please advise us of your transportation plans by **completing your RSVP here: <https://www.surveymonkey.com/r/ZR2LKGW>**
 - **Complete the high school group/busing registration by September 10, 2024.**
 - PLEASE post signage on the front window of each bus to clearly identify the school group and bus number within the group.
- **Registration and Counselor Tools:**
 - **Please make sure EACH student in your group is REGISTERED in advance** by going to <https://www.nacacattend.org/24NewOrleans>.
 - Smart phone registration is available. Barcodes can be scanned directly from a smartphone or printed out and brought to the fair. Registration can also be completed on-site or through the NACAC Attendee Mobile App.
 - We are also excited to offer our new app - Attendee App - at this fair! [Download the app](#) to keep track of your barcode, pull up a map of the fair, take notes on colleges you visit, connect with the colleges you didn't have time to visit and much more - all at your fingertips!
 - The [NACAC College Fair Attendee App](#) is available to download one week prior to the start of the fair. Get the app to start planning your day at the fair. You can view the list of schools exhibiting, workshops being offered, parking info and more.
- ***Please note there will be a bag check, so we encourage students to limit what they bring. Bags will be provided for students' college materials.***
- **Consider collecting the cell phone numbers of all attending students or use the Remind App so when your bus is ready to go you can reach a student who may not report to the bus in a timely manner.**
- For schools that will be using buses to bring students to the NCF New Orleans, partial busing reimbursements will be available after the fair. Grants for partial reimbursement will be available on a limited basis and will be determined based on funding availability. To be considered for a grant, please email Virginia Falgoust, vfallgoust@nacacnet.org, the following information by **September 30, 2024**:
 - Name of School
 - Busing Invoice
 - School's W9
 - Remittance Information (who to make the check out to *and* where to send it)
- You can access marketing materials at this [link](#) and find New Orleans. If you have any additional questions about the Fair, please let me know. We look forward to seeing you at the Fair!

Sincerely,
