

NACAC 2024 College Fair - Bus Drop Off / Pick Up Instructions

If you plan on busing students into the Metro Detroit National College Fair, we ask that you please drop students off at the front of the Event Center entrance and park in the South West Lot.

When it is time to pick the students up, please drive around the back of the building to return to the pick-up (drop off) spot before exiting the lots.

A diagram showing the path is below.
