

Who said your civic duty had to be boring?

Partnering with Civic Nation's ALL IN Campus Democracy Challenge, the NCF West Michigan will be a chance for attendees to register to vote!

The ALL IN Campus Democracy Challenge works with higher education administrators, faculty, staff, coaches, senior leaders, and students in all 50 states plus the District of Columbia to institutionalize nonpartisan democratic engagement efforts. One of the tools available to ALL IN participating campuses is a customized voter registration portal modeled after ALL IN's ALLINtoVote.org tool.

Come visit us in the College Advising Center to help with questions and registration!

NACAC and Civic Nation's ALL IN Campus Democracy Challenge does not support or oppose candidates for public office or take a stand for or against any political party. We encourage active and informed participation in American democracy.

As part of the relationship between Civic Nation's ALL IN Campus Democracy and NACAC, both parties agree that it will not use the voter registration tool in connection:

- with any encouragement to vote for or against any political party or public policy issue; and/or*
- with a preference for or against any voter or potential voter on the basis of that voter or potential voter's political party membership or preference, or on the basis of that voter or potential voter's opinion on public policy issues.*
