PROFESSIONAL EXPERIENCE

Associate Vice President of Academic Student Services: Nassau Community College, Garden City, NY

January 2026-Present

- Manage and direct the hiring, supervision and evaluation of staff in the Offices of Admissions, Dual and Current High School Enrollment, Information Services, and Placement Testing.
- Co-Chair of Standard 4 for NCC re-accreditation for the Middle States Commission of Higher education.
- Leverage an equity-minded and data informed approach to effectively enhance student access and enrollment.
- Continuously assess efficacy of Division operations in order to develop and improve access and enrollment procedures, policies, and outcomes.
- Formulate, guide and implement policy and agreements, which shall consist of attending and presenting at meetings with all necessary departments, the College President, and/or the Board of Trustees
- Build relationships with SUNY, the NY State Department of Education, and high schools across Nassau County to increase enrollment by assessing the needs of school districts, as well as the needs of high school students interested in taking credit bearing courses as high school students.
- Coordinate with academic departments of the college to provide courses in response to those needs; Maintain open lines of communication and service the informational needs of local high schools, professional organizations, and community groups.
- Provide leadership and coordination for the development, growth, policy making and administration of all programs geared to HS students taking credit bearing college courses while still attending HS in accord with guidelines established by the College, SUNY, and the NYS Department of Education.
- Participate and serve as leader (when assigned by the Vice President) or as a member of the Academic Student Services team, Communication Planning Group and Registration Planning Group. Serve on the Student Enrollment Management Committee and the Developmental Education Committee. Participate on President's Cabinet,
- Lead, manage, control, coordinate the College's recruitment, admission, and enrollment operation, and supervise Offices and staff to ensure a student ready and student-centered approach.
- Prepare, implement, and continuously evaluate recruitment, admission, and enrollment documents and enhance operational procedures.
- Assist in the development of annual enrollment projections and oversee objectives to achieve enrollment goals.

- Monitor budgets for admissions.
- Collaborate with administrators, deans, faculty, and counselors to facilitate and improve services to students.
- Administer the collective bargaining agreement for the non-teaching faculty and support staff contracts; participate directly in labor negotiations when necessary.
- Work closely with Athletics, Student Activities/Orientation and Marketing/Communication to promote student access and degree completion.
- Formulate, guide, and implement student focused and equity-minded policy and agreements.
- Supervise the NCC Public Safety Department
