Mission statement: The Indiana Association for College Admission Counseling (INACAC) is a professional organization dedicated to encouraging, advocating and facilitating equal access to post-secondary education. The association will support and advance the work of counseling and enrollment professionals as they help students of diverse backgrounds in the transition to post-secondary education. INACAC is committed to promoting high professional standards that foster ethical and social responsibility.	Vision Statement: The vision of the Indiana Association for College Admission Counseling (INACAC) is to be a dynamic association in the State of Indiana assisting students in the transition from secondary to post-secondary education. The association is committed to meeting the professional needs of its members and the diverse educational needs of students and their families.	Key Programs: Annual Conference Indy Northside and Indy Metro College Fairs Statewide Counselor Updates
