KEEP THIS PAGE FOR PACKAGE / SHIPPING
1. Smith Expo and subcontractors shall not be responsible for damage to uncrated materials, materials improperly packed, glass breakage, or concealed damage.

2. Smith Expo and subcontractors are not, and cannot be, responsible for loss or disappearance of Exhibitor materials after they have been delivered to the booth or once they are left in the booth for load out and shipping after the show closes.

3. Smith Expo and subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts or work stoppages of any kind beyond our direct control.

4. Smith Expo and subcontractors shall not be responsible for ordinary wear and tear in handling of equipment; nor for the loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance, or other causes beyond our control.

5. Smith Expo and Subcontractors shall not be liable to any extent, whatsoever, for any actual, potential, or assumed loss of profits, or revenues, or for any collateral costs which may result from any loss or damage to an Exhibitor’s materials which may make it impossible or impractical to exhibit same.

6. It is understood that Smith Expo and subcontractors are not insurers, that insurance, if any, shall be obtained by the Exhibitor and that the amount payable to Smith Expo hereunder are based on the value of the material handling services and are unrelated to the value of the Exhibitor’s property being handled. Since it is impractical and extremely difficult to fix the value of each shipment handled by Smith Expo or its subcontractors, it is understood that Smith Expo and subcontractors do not provide for liability should loss or damage occur.

7. It is the Exhibitor’s responsibility to make sure all materials are insured from the time they leave your firm, while they are at show site, and until they are returned after the show.

8. Claims for loss or damage must be submitted to Smith Expo by the close of the show. No suit or action shall be brought against Smith Expo or its subcontractors more than three months after the cause of action.

9. Smith Expo and subcontractor’s liability shall be limited to any loss or damage which results solely from Smith Expo or its subcontractors’ negligence in the actual physical handling of the items comprising your shipment(s) and not for any other type of loss or damage. Liability shall be limited to an amount not to exceed $.20 per pound per item with a maximum liability of $40 per item or $500 per shipment, which ever is less, as agreed upon damages and exclusive remedy.

10. The Exhibitor agrees in connection with the receipt, handling, storage, and reloading of your materials that Smith Expo and subcontractors will provide their services as agent and not as bailee or shipper. If any employee of Smith Expo or subcontractors shall sign a delivery receipt, bill of lading, or other document, the Exhibitor agrees that they do as the Exhibitor’s agent, and the Exhibitor accepts responsibility, therefore.

11. Smith Expo and its subcontractors shall not be liable for shipments received without receipts, freight bills or special unit counts on receipts or freight bills, such as FedEx or UPS Packages. Such shipments will be delivered to booth without guarantee of piece count or condition.

12. Empty container labels will be available at the Smith Expo customer service desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative(s). It is understood that these labels are used for EMPTY STORAGE ONLY and Smith Expo and its subcontractors assume no responsibility for loss or damage to contents while containers are in storage or for mislabeled containers.

13. The consignment or delivery of a shipment to Smith Expo or subcontractors by an Exhibitor, or by any shipper on behalf of the Exhibitor shall be construed as acceptance by such Exhibitor of the terms, limitations, and conditions set herein.
An Exhibitor Appointed Contractor (EAC) is any company other than the official service contractor, Smith Expo. Exhibitors are responsible for informing all appointed contractors of the rules, requirements and regulations and for ensuring their compliance. Any exhibitor must insure that non-official vendors hired to perform any of the following services at this event must comply with the rules, requirements and regulations:

Smith Expo, the Official Show Contractor, and the facility must be named as additional insureds on all policies. The COI must cover the entire event date and must be received no later than four (4) weeks prior to the event. Any and all outside vendors must fulfill the following requirements:

- EACs should supply a list of all full-time employees who will be installing, dismantling or working in the exhibiting company’s booth. Smith Expo management also requires that exhibitor appointed contractors furnish a list of all subcontractors they will use during installation, show days and dismantling. Any company that is not an approved exhibitor appointed contractor or does not appear on an appointed exhibitor contractor’s list of approved subcontractors will be denied access to the show floor. Exhibitor appointed contractors must collect the proper COIs from their subcontractor(s) and maintain the original certificates (photocopies and faxes are not acceptable) on file for review by Smith Expo management.

- All EACs and all subcontractors must display company ID with photo all times while on property.

- All EACs agree to abide by the rules and regulations set forth by Smith Expo in this Service Kit. EACs may operate only out of the confines of their client’s booth. Separate service desks and/or work areas, storage areas or other work facilities will not be permitted at Smith Expo’s event. The show aisles and public space are not part of the Exhibitor’s booth space.

- All EACs must comply with local labor agreements and practices and may not commit any acts that could lead to work stoppages, strikes or labor problems.

- All EACs must adhere to the move-in, move-out schedule. Exhibitors will be responsible for any additional expense incurred by Smith Expo should deadlines not be met.

- Exhibitors are liable for restoring their exhibit area to its original condition (i.e. free of any tape, debris and other remnants of use).

- It is the responsibility of the exhibiting company to ensure that each EAC adheres to all official rules and regulations of the Event as set forth by Smith Expo.

- All EACs will not solicit business on the Show Floor.
