Mission statement:	Vision Statement:	Key Programs:
The New England Association for College Admission Counseling leads, supports and advances the work of counseling, admission and enrollment professionals by promoting ethical responsibility, professional development, and state, regional and national advocacy as they help all students realize their full educational potential, with particular emphasis on the transition to postsecondary education.	The New England Association for College Admission Counseling was founded in 1966 as a chartered affiliate of the National Association for College Admission Counseling. Its purpose is to establish and maintain high professional standards in admissions, financial aid counseling and guidance at secondary schools, colleges and universities.
