Mission statement: Chartered in 1979, TACAC is one of 23 state and regional affiliates of the National Association for College Admission Counseling (NACAC). TACAC supports NACAC's mission to support and advance the work of counseling and enrollment professionals as they help all students realize their full educational potential, with particular emphasis on the transition to postsecondary education. TACAC is committed to promoting high professional standards that foster ethical and social responsibility.	Vision Statement: TACAC develops professionals committed to providing the highest quality counseling to ensure students' access to and persistence through post-secondary education. TACAC: <ul style="list-style-type: none"> • Promotes access to post-secondary education for all Texans • Provides professional continuing education opportunities for members • Keeps abreast and when necessary, acts on legislative issues that affect college admissions and secondary education • Supports the role of college counseling professionals in their schools and recognizes the importance of the service they provide • Supports ethical practices concerning student rights and the college admission process. Values of our association: > Service Professionalism > Mutual respect > Cooperation and communication > Creativity and innovation > Diversity and individualism > Ethics
