### **Spring 2026 In-Person National College Fairs Fee Waiver Program**

#### **Policy for Complimentary Institutional Registration**

The intent of the NCF Fee Waiver program is to encourage full participation of institutions that have been traditionally underrepresented at National College Fairs. As an organization, NACAC strives to encourage participation of exhibiting institutions that mirror the diversity of our attendees. It is our hope that by providing institutions with the opportunity to exhibit at the in-person National College Fairs for free, these colleges and universities will experience the value of their participation and continue as registered participants in future years.

The following policy will be in place for the Spring 2026 In-Person College Fairs season:

#### **Eligibility Considerations**

- Accredited two- and four-year nonprofit colleges and universities in good standing
- Title IV-eligible institutions
- Priority in the selection process will be given to community colleges, Historically Black Colleges and Universities, Hispanic-Serving Institutions, Native American-Serving Institutions, and institutions that cannot afford the National College Fairs registration fee because of financial hardships.
- Military and for-profit institutions are not eligible for the program.
- Eligible institutions may receive a **maximum of three (3) fee waivers** for the Spring 2026 season.
- **Space is limited and NACAC NCF programs do sell out, so we encourage all applicants to apply as soon as they are able.**

#### **Participation Requirements**

- Eligible institutions interested in participating in the fee waiver program should complete the Fee Waiver Application by the published deadlines.
- **Institutions that are granted a fee waiver and do not attend the event will not be considered for fee waivers in future seasons.**
- **Applications that are not fully complete will be considered incomplete and not considered for a fee waiver.**

## In-Person National College Fairs National College Fairs Spring 2026 In-Person National College Fairs Fee Waiver Application

**Participants:** I have read and agree to all registration policies for the National College Fairs Program described in the Policy for Complimentary Institutional Registration (see above). I understand that I must notify NACAC of cancellation in writing by the stated deadlines. I accept the responsibility of forwarding any exhibitor information received regarding National College Fairs to all representatives of my institution who will be attending those fairs. An official representative from participating institutions must sign the National College Fairs Fee Waiver Application for the application to be accepted and processed.

Return completed forms to the NACAC National College Fairs Department for review by the deadline (**February 1, 2026** for all Spring 2026 fairs). Late applications will be reviewed on a space available basis and are not guaranteed consideration. Completed forms should be returned to Virginia Falgoust, [vfalgoust@nacacnet.org](mailto:vfalgoust@nacacnet.org).

**Lead Retrieval**

Only one person can be designated as the "Leads Contact" per booth per college fair. By default, this is the person who registered for the fair. To change your organization's Leads Contact to a different individual, please contact [customerservice@nacacnet.org](mailto:customerservice@nacacnet.org).

NACAC recommends designating the same person as the Leads Contact for all fairs (both in-person and virtual). Once leads are downloaded, the Leads Contact may share the information with appropriate staff following your institution's data privacy policies.

**Spring 2026 National College Fairs Program Participant's Agreement**

I have read and agree to all registration policies for the National College Fairs program described in this form and exhibitor guidelines.
