Fall 2023 In-Person National College Fairs Fee Waiver Program

Policy for Complimentary Institutional Registration

The intent of the NCF Fee Waiver program is to encourage full participation of institutions that have been traditionally underrepresented at National College Fairs. As an organization, NACAC strives to encourage participation of exhibiting institutions that mirror the diversity of our attendees. It is our hope that by providing institutions with the opportunity to exhibit at the in-person National College Fairs for free, these colleges and universities will experience the value of their participation and continue as registered participants in future years.

The following policy will be in place for the Fall 2023 In-Person College Fairs season:

Eligibility Considerations

- Accredited two- and four-year nonprofit colleges and universities in good standing
- Title IV-eligible institutions
- Priority in the selection process will be given to community colleges, Historically Black Colleges and Universities, Hispanic-Serving Institutions, Native American-Serving Institutions, and institutions that cannot afford the National College Fairs registration fee because of financial hardships.
- Military and for-profit institutions are not eligible for the program.
- Eligible institutions may receive a maximum of five (5) fee waivers for the fall 2023 season.
- **Space is limited and NACAC NCF programs do sell out, so we encourage all applicants to apply as soon as they are able.**

Participation Requirements

- Eligible institutions interested in participating in the fee waiver program should complete the Fee Waiver Application by the published deadlines.

Lead Retrieval

Only one person can be designated as the "Leads Contact" per booth per college fair. By default, this is the person who registered for the fair. To change your organization's Leads Contact to a different individual, please contact customerservice@nacacnet.org.

NACAC recommends designating the same person as the Leads Contact for all fairs (both in-person and virtual). Once leads are downloaded, the Leads Contact may share the information with appropriate staff following your institution's data privacy policies.

Fall 2023 National College Fairs Program Participant's Agreement

I have read and agree to all registration policies for the Virtual College Fairs program described in this form and exhibitor guidelines. I understand that I must submit all cancellations in writing at least 14 calendar days prior to the date of the fair and realize that missing a fair for which I have been granted a fee waiver without prior written notification may affect future participation in the In-Person National College Fairs Fee Waiver Program.
